On behalf of our customers, ODIN is an active and responsible manager that focuses on long-term creation of wealth. The ODIN USA equity fund invests in select American companies, across states, sectors and industries. This means that you as a customer are not required to consider which sectors or individual companies

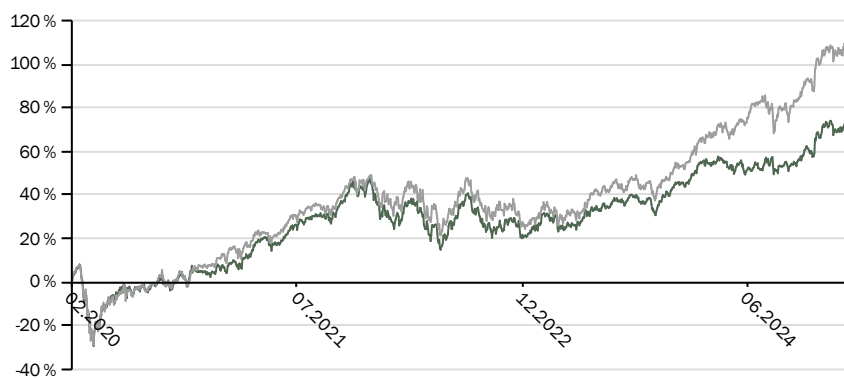

Please note that the historical return is not a guarantee of future returns. The future return will among other things depend on market developments, the manager's skills, the fund's risk level and the costs of buying units and managing the fund. The return may be negative as a result of share losses.
